

REGISTRATION CARD

CSI: Shawnee Science Camp June 21-23, 2022

CSI: Shawnee Science Camp is hosted by the Scioto Soil and Water Conservation District in partnership with many great contributors from other conservation districts, Shawnee State Park, Shawnees State University, ODN's Division of Wildlife, and many others. Our goal with campers includes connecting natural science lessons to strengthen their understanding, introducing campers to nature, developing nature and science related skills, and introducing natural resource careers.

Camp is held at Boy Scout Camp Oyo and registration is open to students that will be entering 6-9th grades in the 2022-2023 school year.

Cost of the camp is \$30 per camper thanks to a generous grant from the Scioto Foundation. **Scholarships offering full tuition are also available through the Harry and Elsie Knighton Fund upon request.**

CSI: Shawnee Science Camp // June 21-23, 2022
